LEGISLATION FOR INTERNATIONAL ATHLETES

International athletes (including junior and youth age categories) registered in respective national volleyball federations willing to participate in a beach volleyball tournament of the Czech national tour have to fulfill following rules set by the FIVB BEACH VOLLEYBALL SPORT OPERATIONS MANUAL and BEACH VOLLEYBALL NATIONAL TOUR HOMOLOGATION form:

- Only registered athletes being in good standing with the FIVB and with the respective NF may take part in a National Tour.
- Athletes participating in a beach volleyball National Tour outside the territory of their NF without **having the written consent** of their NF or in a National Tour **not sanctioned** by the host NF will be subject to the sanction scale established by their affiliated National Federation. Players taking part in non-sanctioned events will do so at their own risk. If applicable the FIVB Beach Volleyball Sport Operations Manual and another regulatory framework may be applied.
- In case of a clash with the FIVB Beach Volleyball Senior World Championships and FIVB/Volleyball World Beach Pro Tour Elite16/Challenge/Future tournaments, athletes from the top 32 ranked teams per gender per the FIVB World Rankings at 35 days before an event, except the hosting country teams, cannot take part in such a National Tour leg unless authorized by the FIVB in writing.
- Following the decision of the FIVB Executive Committee in Tokyo on the 25th of November 2009, athletes participating in events not authorized by the FIVB (as per FIVB Constitution, Disciplinary Regulations, and decisions) may be sanctioned by FIVB with period of ineligibility from any FIVB competitions and/or a fine for a major offence. Each NF must contact the FIVB in case of any doubt in regard to the procedures for the enrolment of their athletes in a specific event. A list of FIVB approved events is posted on the FIVB/Volleyball World website.
