

CEV SNOW VOLLEYBALL EUROPEAN TOUR 2021

PRACTICAL INFO

Important notes during the challenging times of COVID-19 Pandemic.

The global Covid-19 Pandemic has had a significant impact on all social and sport activities with measures and travel restrictions imposed by governments across Europe.

Even the world is still dealing with the challenges brought by the coronavirus pandemic by following the respective measures and protocols applied by CEV and the local and national authorities of the host country and region makes it possible to organise sport competitions again by create a safe environment for all parties involved.

Health, safety and well-being of athletes, coaches, officials, staff and all persons involved is a top priority for CEV and the event Organiser!

To achieve this goal, a number of documents have been developed by CEV including:

- [The CEV Competitions Hygiene Guidelines](#), with the aim to provide general recommendations and requirements that shall be considered in the event planning and applied in the event delivery.
- [CEV Hygiene Guidelines - Snow Volleyball Specifications](#), with the aim to provide specific information relating to all CEV Snow Volleyball competitions and updated operational and competition protocols that need to be followed.

In close collaboration with the Organiser, CEV is also developing the Event Specific Hygiene Guidelines with detailed review of the local measures, government regulations and travel restrictions of the host country. This is a dynamic document forming part of a tool for guidance and can be find on the event page of the CEV website.

All participating team delegation members, CEV officials, match officials, LOC, staff, accredited media, international and local service providers, etc. adhere to fully comply and respect the protocols mentioned on the documents listed above.

Covid-19 test certificate, and additional rapid testing upon arrival

Please take note that all team delegation members and CEV officials must have a printed valid certificate of negativity to Coronavirus issued by authorised health laboratories no later than 72 hours before the respective Preliminary Inquiry they attend. Referees must have a printed valid certificate of negativity to Coronavirus issued by authorised health laboratories no later than 72 hours before the respective Refereeing Clinic they attend.

Addition to that, before participating on the Preliminary Inquiry a rapid COVID-19 tests will be performed on all team delegation members, CEV officials and before the Refereeing Clinic on all referees.
